

UNESCO Creative Cities of Gastronomy

Sustainable Gastronomy Day 6-18

On June 18, 2021, in her 8 minutes video during the webinar at Alfred Nobel House, the head of UCCN Denise Bax recommended the monitoring reports of the UNESCO Creative Cities Network as a key reference source. Eighteen of the 36 cities of gastronomy from 22 countries have published monitoring reports. Denise Bax also showcased Bergen and Macao achievements. Here is the link:
