

SAVE THE DATE : The Best of 2022

We believe 2022 will be better than 2021, because we are learning to live with the Covid 19 virus. In early December 2021, we had hundreds of professionals present from 67 countries at the Hallbars and Gourmand Awards events in Paris. We will have many more at the next events. Here are the planned dates in 2022, do save the dates in your agenda. Inquiries and questions are welcome
