

ALFRED NOBELS BJÖRKBORN

## **Sustainability Reports Exhibition at Alfred Nobel House Björkborn**

**June 17- October 21, 2021**

For the second time, sustainability reports will be exhibited at Alfred Nobel House Björkborn. The reports are part of the tour of the museum. The exhibition will last for four months. Last year, the first exhibition lasted two months and was a big success for sustainability and its reports as books. The Hallbars Sustainability Reports Awards will be announced on the final day, October 21, celebrating Alfred Nobel's birthday.

Governor Maria Larsson, Chair of the Alfred Nobel Björkborn Foundation will inaugurate the exhibition on June 17 with Director Anneli Lyckeborn. The inauguration will be a private event by personal invitations only.

To be exhibited, sustainability reports can be sent to the following address:
